Embergler Wilson Did Not Like the "Star's" Report of its Editor's Second Arrest for Libel.

After the STAR appeared Saturday afternoon, Charles B. Wil on, the embezzler and favorite of the ex-Queen, concluded to bring his third action can warships will be sold to Brazil. against the editor for criminal libel, He and his lawyer got out a warrant land's master of ceremonies, is dead, and demanded of the Marshal that a heavy bond be required-running up into the thousands. The Marshal naturally refused to be the instrument of any such a malicious scheme and there were hot words about it.

"You don't expect Mr. Smith to leave the country, do you?" asked Marshal Hitchcock.

'No," said Wilson.

"Then what do you want such a big The Boston has gone out of commisbond for?" was the query.

"I want to make Smith stop writing trip, those articles about me and the Queen." The Marshal again refused to fix a large bond, and the embezzler and his attorney left the station in a rage.

"If I can't get justice of you," said Wilson, "I'll take the law into my own hands and settle Smith's case myself."

This was one of the many threats to nurder which the vicious and cowardly ex-Marshal had been making in the the Tiradentes. saloons and on the street corners for several days.

Meanwhile, a native police captain and Wisconsin. was sent to find the editor of the STAR. It was late in the afternoon and the latter had gone to a barber shop on It will be rebuilt. Hotel street and later to the home of Dr. McGrew. The officer went to this office and then took a back to Mr. Smith's home on Judd street, where he stated his business to Mrs. Smith and sat down to wait. Finally he entered his back and drove along the back track, passing the Nuuanu street car upon which the editor was going home. Seeing Mr. Smith the captain returned to the Nuuanu street hill. waited. When the editor got off the Nicholas to the United States. car the captain was at hand. Raising his cap with much politeness the latter November 1st and the silver purchases remarked that he had "another war- by the Government then ceased.

"Would you like to see it?" "Oh no! I'll go along with you.

At the Station Deputy Marshal Brown was waiting. "This thing is returnable next Saturday," said he. "You may go on your own recognizance." Everything was satisfactory about

been returnable Monday. "Much obliged, Mr. Brown," said he.

stories about Wilson are not half told and engineers.

The news of the third arrest went about town during the evening and the editor of the STAR received several offers of bail and other assistance, all of which were not then needed and were declined with thanks. Earlier in the week's proceedings that staunch old Roman, John Thomas Waterhouse, had called and poisoned bouquet. quired, were that possible under the law, to have acted in self-defense. operent bond could have been had in half an hour.

until further notice.

### A BURGLARY LAST NIGHT

Committed Right Under the Noses of the Police.

When the printers who work for the ress Publishing Company opened up the office on Bethel street, opposite the Police station, this morning, an unusual state of affairs was found. In that portion of the building formerly used as the business office of the STAR the night. None of the type lying about Smith, Daniel Logan of the Bulletin was disturbed. The peculiar operations and George Manson, of the burglar or burglars show that they were after certain papers, and bring to mind a similar ransacking of The Foreign Jury Has Its Innings This the office of the United States Consulate a few weeks since. The burglar evidently gained admittance from a rear window, which was pried open. In which hold the ink rollers in position, Ah Kee would not be prosecuted. thus ruining the press for a time. As ized premises directly face the Police dismissed. station, it seems strange that nothing at that place.
